RULING ON ENTITLEMENT¹

Dorsey, Chief Special Master:

On June 26, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleges that she suffered the Guillain-Barré Syndrome (“GBS”) caused in fact by the influenza vaccine she received on September 18, 2016. Petition at 1, ¶¶ 1, 14. Petitioner further alleges that she suffered the residual effects of her GBS for more than six months and that neither she nor any other party has received an award or settlement for her GBS, alleged as vaccine caused. *Id.* at ¶¶ 14-15. The case was assigned to the Special Processing Unit of the Office of Special Masters.

¹ Because this unpublished ruling contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

On March 27, 2018, respondent filed his Rule 4(c) report in which he concedes that petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1. Specifically, respondent "[has] concluded that petitioner suffered GBS following a flu vaccine within the Table time period, and there is not a preponderance of the medical evidence that petitioner's GBS was due to a factor unrelated to the vaccination." *Id.* at 3-4. Respondent further agrees that "petitioner has satisfied all legal prerequisites for compensation under the Act." *Id.* at 4.

In view of respondent's position and the evidence of record, the undersigned finds that petitioner is entitled to compensation.

IT IS SO ORDERED.
